to Diana for life and then to Alexander and Max, with the
exception of family pictures, which went to Nicholas and some
objets to his older children. Diana wrote to Nicholas to
explain why his father had not remembered his older children in
his will. 'He intended to write to you and Viv and Micky
telling you that his reason for doing so was not that he loved
you less than them but because he thought it equitable, as you
inherited from your mother, whereas I have nothing to leave to
my sons. When he told me about this I urged him to write to you
three but he obviously never did so.'
